

MARRIAGE FOR MAINE PETITION

Whereas the Governor, contrary to the wishes of the vast majority of the people of our state, is promoting the homosexual agenda; and whereas many elected officials have chosen to disregard the dictates of common sense and the lessons of history, preferring instead to discard forever the true definition of the institution of marriage, which is that it is a sacred bond between one woman and one man; and whereas many Judges, contrary to the wishes of the people, seek to impose a dangerous agenda on the people of our state and their children; and whereas the children of our state, contrary to the wishes of their parents, are subject to homosexual indoctrination in the public schools; and whereas all Maine citizens already have substantially the same legal rights, we the undersigned do hereby call on the Legislature of the State of Maine to unanimously reject the Governor's "sexual orientation" law. Further, we call on the Legislature to immediately approve Representative Brian Duprey's constitutional amendment to protect the sacred institution of marriage in Maine.
